Meeting Agenda

This year, the Project Managers (or a project representative) will be given 1 minute to make an introduction and then receive comments from the Ranking Committee and audience for 4 minutes (see meeting schedule, below). The Project Manager or a Project representative must be in attendance to answer questions. If you have photos or visuals (no more than 3 slides please), send them by February 3 at 5pm to janice@wildutahproject.org. The meeting moderator will share screen.

We encourage members of the UPCD to attend the entire meeting to engage with your peers and ask questions.

Based on the Q&A, Project Managers will still be able to revise their proposals before final ranking is completed.
